Questioning Evangelism, Second Edition-Randy Newman 2017-04-25 You don't need to memorize evangelical formulas or answers. You just have to be willing to ask. There was something different about the way Jesus communicated with the lost: He didn't force answers upon people, He asked questions. So why don't we? Following Christ's lead, Randy Newman has been using a questioning style of evangelism for decades. In this provocative book, he provides practical insights to help Christians engage others in meaningful spiritual conversations. He challenges us to examine how we think about people, their questions, and our crucial message. This second edition includes a new preface reflecting on the popularity of this perennial best seller and what its success has taught Newman about the effectiveness of this extraordinary method. "Distilled out of over twenty

years of personal evangelism, this book reflects both a deep grasp of biblical theology and a penetrating compassion for people--and finds a way forward in wise, probing questions. How to Follow Jesus-Craig Springer 2020-02-18 Millions of people want to follow Jesus, but don't know how. Upon becoming Christians, new believers often end up paralyzed. They become overwhelmed trying to master complicated doctrines, frustrated by a large list of rules for policing their lives, and bewildered by a new (and strange) vocabulary. Even worse, there are few books offering simple and clear advice to guide a Christian's first spiritual steps that are written in common, contemporary language. Until now. In How to Follow Jesus, Craig Springer, executive director of Alpha USA, one of America's most effective evangelism movements, explodes numerous myths surrounding the Christian faith that create unnecessary obstacles to growth, including: illustrating that sin and temptation are not the greatest threat to a flourishing faith, forgiveness means going through rather than around our feelings, and how disappointment in the church may be the essential step in growing a foundation for life-changing community. Sharing personal stories from his own journey to a mature faith, Springer sets readers at ease and offers them practical, easy-to-implement advice for following Jesus. Destined to become a timeless classic, How to Follow Jesus is a must read for new and returning Christians.

Models of Evangelism-Priscilla Pope-Levison 2020-10-27 Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures. At once biblical, theological, historical, and practical, this book by a seasoned scholar offers an engaging, well-researched, and well-organized presentation and analysis of 8

models of evangelism. Spread Your Faith-Sam O. Salau 2014-06-06 Soul winning is every Christian's responsibility. It is even more than a mere responsibility; it is a great privilege. We have been given the cherished honor to be partakers in the glorious task of bringing people into the eternal family of God. There is never a more significant cause to give one's life to. But many will not for once open their mouths to preach the gospel to fellow students. If every Christian leaves the job of evangelism to some Christians, we will be too surprised to see that no Christian would do what any Christian could have done, and the whole world will perish right under our noses. This book discusses why we must do it, why we don't want to do it, how to go about it and what happens if we refuse to do it. It is a book for all Christians.

Great Commission Christians-Richardson George 2021-01-19 Great Commission Christians is a practical guide to effective evangelism and discipleship. It is written from a purely EVANGELICAL PERSPECTIVE with the solid backing of Scripture for the principles taught. This book has a very strong practical emphasis with principles, strategies and methods presented in an easy to apply manner. The book is divided into three major divisions as follows: 1. Evangelism, 2. Church Planting and 3. Discipleship. As the title suggests, the thrust of the book is on fulfilling the Great Commission as given by Jesus in Matthew 28:18 - 20 which when rightly interpreted and understood mandates the making of disciples that being the main command in the passage. Therefore, if we are doing everything else and we are not making disciples, then we are not fulfilling the Great Commission. Conversely, the Great Commission is only fulfilled when disciples are made. It is written in an elegant style and at a level that the average reader can understand it. Great Commission Christians can be used as a manual for local church evangelism and discipleship as well as for personal study. It can also be used as a text book at the certificate or diploma level. One satisfied reader said that this book should be an item in every household.

We Cannot But Tell-Ross Tooley 1993-06 Veteran missionary Ross Tooley, who for over thirty years has been personally presenting the gospel, shares on heart to heart evangelism. Evangelism in a Skeptical World-Sam Chan 2018-03-13 Most Christians already know that they should be telling their friends about Jesus. But they have been poorly equipped with methods that are no longer effective in today's post-Christian world. As a result, many people become frustrated, blame themselves, and simply give up. Evangelism in a Skeptical World is a textbook on evangelism that is ideal for the church or the classroom to equip Christians with the principles and skills they need to tell the unbelievable news about Jesus to friends in a skeptical world. Many of the older principles and methods of evangelism in the twentieth century no longer work effectively today. In a post-Christian, post-churched, post-reached world we need new methods to communicate the timeless message of the gospel in culturally relevant ways. Dr. Chan combines the theological and biblical insights of classic evangelistic training with the latest insights from missiology on contextualization, cultural hermeneutics, and storytelling. Every chapter is illustrated with real-world examples drawn from over fifteen years of evangelistic ministry. These are methods that really work - with university students, urban workers, and high school students - getting past the defensive posture that people have toward Christianity so they can seriously consider the claims of Jesus Christ. Field-tested and filled with unique, fresh, and creative insights, this book will equip you to share the gospel in today's world and help as many people as possible hear the good news about Jesus.

The Gospel and Personal Evangelism (Foreword by C. J. Mahaney)-Mark Dever 2007-09-07 Evangelism is not only misunderstood, it is often unpracticed. Many Christians want to share the gospel with others, but because those Christians don't grasp the fundamentals of witnessing, they feel intimidated and incapable of sharing the truth of the gospel. Yet those believers fail to recognize that God has already established who and how we are to evangelize. In The Gospel and Personal Evangelism, Dr. Mark Dever seeks to answer the four basic questions about evangelism that many Christians ask: Who should we evangelize? How should we evangelize? What is evangelism? Why should we evangelize? In his answers Dever draws on New Testament truths and helps believers apply those truths in practical ways. As readers understand the fundamentals of evangelism, they will begin to develop a culture of evangelism in their lives and their local churches.

Challenging Conversations-Jason Jimenez 2020-09-15 When was the last time you had an honest, heartfelt, yet kind and productive conversation with someone about depression, mental illness, substance abuse, pornography, premarital sex, racism, divorce, abortion, LGBTQ issues, or church scandals? Our tendency is either to avoid talking about such volatile topics at all--even with other Christians--or to go on the attack, causing rifts that do nothing to encourage further discussion or growth. If you're tired of avoiding tough conversations, if you want to

be a light in a dark world but you're not sure how, *Challenging Conversations* is the book you've been waiting for. With straightforward answers to some of the most challenging moral issues disrupting the church, this book will help you build your confidence using three simple steps to becoming a conversant Christian. Each chapter begins with a true story, clarifies misconceptions and misunderstandings about the subject, and equips you to build rapport, ask the right questions, find points of agreement, and take the next fruitful step in the relationship. Because even if we disagree on a moral issue, that shouldn't make us mortal enemies.

Transforming Evangelism-Henry H. Knight III 2019-02-15 Because of the more aggressive and confrontational tactics we hear about, evangelism has developed a bad connotation. Doors are shut hurriedly, phone calls end abruptly, and e-mails left unanswered. After all, isn't this a task better handled by the pastor? Perhaps it's time to reexamine John Wesley's model of evangelism as a full, natural circle—where it's a communal beginning point rather than a solitary end. The central motive of authentic evangelism is: Having received a message that's made all the difference in our lives, we desire to share that message with others in the hope that it will transform their lives as well. Wesley models an evangelism that reaches out and welcomes, invites, and nurtures, and speaks to both head and heart. "Evangelism is about relationship," the authors write. "How we are in relationship to God, who is able to transform us into new beings. How we are in relationship to our neighbor, whom we must love like ourselves." As one reviewer says, "Knight and Powe have given us a relational book. They describe the deep connection between John Wesley's thoughts, Charles Wesley's hymns, scholarly thinking about evangelism and biblical understandings of the gospel—all in relation to the needs, concerns, and hopes of everyday people." Learn on your own or as a congregational group from this practical study on living an evangelistic life that demonstrates the transforming power of loving God and neighbor.
