The Bravest Man in the World-Patricia Polacco 2019-09-24 From master storyteller Patricia Polacco comes the tragic and beautiful story inspired by Wallace Hartley—the musician who played with his band to calm the passengers of the Titanic as the ship sank. One afternoon, Jonathan Harker Weeks didn’t feel like practicing the piano. So his grandfather decided to tell him a story to show how much of an impact music can have. When he was a child growing up poor in Ireland, his mother made sure he learned to play the fiddle, despite their challenges. After his mother passed away and he was on his own, Jonathan’s grandfather fell asleep hiding in a mail sack and was taken to a ship. When he woke up, he realized he was on the Titanic on its maiden voyage, and it was there that he met Wallace Hartley and Mrs. Weeks, a kind man and woman who took him in. Then one night, the majestic ship hit an iceberg. He and Mrs. Weeks were put on a lifeboat—and Mr. Hartley and his band bravely continued to play to calm the crew and passengers. The story of Wallace Hartley is true and he is known throughout the world as a hero. The New York Times bestselling author and illustrator of The Keeping Quilt Patricia Polacco offers this stunning and heartbreaking picture book to celebrate the memory and bravery of a single man who used the power of music to comfort thousands of people during a catastrophic situation.

Critical Explorations of Young Adult Literature-Victor Malo-Juvera 2019-12-06 Recognizing the determination of a canon as an ongoing process of discussion and debate, which helps us to better understand the concept of meaningful and important literature, this edited collection turns a critical spotlight on young adult literature (YAL) to explore some of the most read, taught, and discussed books of our time. By considering the unique criteria which might underpin the classification of a YAL canon, this text raises critical questions of what it means to define canonicity and designate certain books as belonging to the YAL canon. Moving beyond ideas of what is taught or featured in textbooks, the volume emphasizes the role of adolescents’ choice, the influence of popular culture, and above all the multiplicity of ways in which literature might be interpreted and reflected in the lives of young readers. Chapters examine an array of texts through varied critical lenses, offer detailed literary analyses and divergent interpretations, and consider how themes might be explored in pedagogical contexts. By articulating the ways in which teachers and young readers may have traditionally interpreted YAL, this volume will extend debate on canonicity and counter dominant narratives that posit YAL texts as undeserving of canonical status. This text will be of great interest to graduate and postgraduate students, academics, professionals, and libraries in the field of young adult literature, fiction literacy, children’s literacy and feminist studies.
